SAME IN GARRARD.

The Democrats had a mighty warm
fight in Mercer county. All the candi-
dates had loyal and hardworking friends
but we are glad to state that the fight
left no sore spots in the party and since
the primary the Democrats have all
gotten together and are standing
shoulder to shoulder for Stanley and
the remainder of the ticket. Mercer
is going to give the nominees a big
majority in November.—Harrodsburg
Herald.

YOUNG MIDSHIPMAN DIES.

William L. McCarty, a Midshipman
of the second year class at Annapolis,
stationed on board the Ohio at San
Pedro, Cal., died of spinal meningitis
Monday. McCarty was well known in
Lancaster, having been born and reared
in Stanford. He was an athlete of
ability, having been Captain of the
Stanford base ball team. His many
friends here will learn of his death with
the deepest grief.

DOLLAR REPLACES POUND.

The American dollar became the
standard of the world's financial mar-
ket when English pounds sterling,
francs, liras and virtually all foreign
exchange went down to new depths in
an avalanche of bills that poured into
the New York exchange markets from
American manufacturers seeking pay
for war munitions. It developed that
every contract in America calls for
payment in American dollars, insuring
that the immense losses will be borne
to the last penny by foreign buyers—
not by American manufacturers.

REPLY TO AUSTRIAN NOTE.

The State Department made public
Monday the reply of the United States
rejecting the views set forth by Austria-
Hungary in a note contending that ex-
portation of war munitions from
America to Austria's enemies was "not
consonance with the definition of neu-
trality." The note insists that the
American Government is pursuing a
strictly neutral policy and adhering to a
principle upon which it would depend
for munitions in the markets of the
world in case it should be attacked by
a foreign Power. The note recalls that
Austria and Germany furnished munitions
to Great Britain during the Boer
war, sanctioned by international war.

HOUSE.

The death of Thomas House occurred
at the home of his son, James House,
last Friday. Deceased was born in
Garrard County eighty seven years
ago, and had been engaged in farming
all his life. He is survived by his wife,
two daughters, Mrs. Withers and Mrs.
Lewis Brown, three sons, Taylor, James
and Robert House. Brief funeral
services were conducted at the grave
by Rev. F. M. Tindler.

ASHLEY.

Died, at her home in Richmond,
Kentucky, last Saturday, little Lucile
Ashley, aged two years and eight
months. She was the infant daughter
of Mr. and Mrs. Maurice Ashley, for-
merly of this place.

Thus over a happy home the shadow
of a little grave has fallen and as some
one has said it is wonderful how long a
shadow a little grave can throw.

This little girl was so precious, so
fought with blessings to her parents
that she seemed a flower of paradise
permitted to bloom for a brief season
by their side then recalled by Him who
said, "Suffer little children to come
unto me, and forbid them not for of
such is the Kingdom of Heaven."

Brief funeral services were con-
ducted at the grave by Eld. F. M. Tindler
and the body was laid to rest in the
Lancaster cemetery Sunday afternoon.

DAVE WALKER

Suddenly Stricken With Heart Failure
Called To Final Reward.

The news of the sudden death of
David Walker was passed from friend
to friend Tuesday afternoon as a shock
barbed with pain and sorrow. When
this paper last came to you the deceased
was upon our streets greeting his
friends, today all that is mortal of our
friend and townsman is at peaceful
rest in our Silent City. The news of
his sudden death cast a gloom over the
whole community, for all of the forty-
two years of his life had been
passed among us, and every heart
was touched with sympathy for the
stricken ones, from whose home circle
he had fled.

None but those who have sat in the
shadow of sudden deaths can justly
weigh such a shock and sorrow as this.

Leaving home, as usual, last Monday
afternoon to attend to some work on
his farm near town, he was suddenly
stricken about 3.30 o'clock, while load-
ing baled hay and died in about twenty
minutes, never having regained con-
sciousness.

Thus closed the life of one who has
passed into the joy of his Lord. Much
has been taken from the devoted par-
ents and sister and brothers, sweet
ties have been severed, but much is
left. The Christian's hope and fadeless
memories are theirs. He was a faith-
ful member of the Christian church,
having joined it in early life. Now the
devoted boy who remembered his
Creator in the days of his youth, has
finished his course and reached the
heavenly goal while yet an infant in
the race of life.

The funeral services were held at the
home of his parents on Lexington
street, Wednesday afternoon at three
o'clock, conducted by Eld. F. M. Tin-
dler, after which interment took place
in the Lancaster cemetery, in the
presence of a large concourse of friends
and relatives. The beauty and pro-
fusion of the floral offerings attested
the high esteem in which he was held.
Besides his father and mother,
Mr. and Mrs. Joel Walker, he leaves a
sister Mrs. R. C. Brewer of Chelsea,
Okla., and two brothers, Joel Walker
Jr., and W. D. Walker of this city.

"One less at home."

The charmed circle broken—a dear one
face
Missed day by day from an accustomed
place;

But cleansed and saved and perfected
by grace.
One more in heaven."

GARRARD COUNTY STOCK

At Stanford Fair This Week.

Quite a lot of Garrard county stock
will be exhibited at the Stanford fair
this week. Mr. C. P. Currens, of low-
er Garrard is exhibiting some of his
fine Jersey's and no doubt will take
down several of the blue ribbons. He
has shown them at several fairs al-
ready this season and has been quite
successful. Mr. G. B. Swinebroad, the
king of Jersey breeders in this county,
will also have some of his top-notchers
at this fair, among the number being
his champion bull, Onan My Forfar-
shire, some name and some bull. The
Kentucky Red Berkshire hog will be
very much in evidence, as the cream
of this breed of hogs originated in this
county, and are being bred better each
year by their proud owners. The
principle breeders and owners of the
Kentucky Red Berkshire will be on
hand from here and will take down
most of that good money. It will be
worth the price of the admission just
to see these hogs. Those exhibiting
from this county are; S. L. Gibbs, J.
G. Burnside, Robert J. Walker, A. K.
Walker, W. B. Denny and Woods
Walker and son.

MULE TRADE DULL

Mr. W. B. Burton reports the trade
in mules very dull at this time as there
is no demand for army mules, all con-
tracts having been cancelled for a time
at least. Mr. Burton is one of our best
buyers and has furnished several hun-
dred to the Allied Armies in the past
year. There is yet some demand for
cheap horses, but very few are being
offered. In the present week Mr. Bur-
ton purchased a mare of Ruble Broth-
ers, for \$100, an one of T. J. Price for
the same money, also one nice gelding
of Humphrey Hudson, of Danville, for
\$150.

OFFICERS OF THE EAST- LAND ARE INDICTED

Captain Pedersen and Engineer
Erickson, of the steamer Eastland,
President Arnold, General Manager
Hull and two other officers of the
company which own the vessel were in-
dicted in criminal court in Chicago in
connection with the Eastland disaster
on the Chicago river. The officers are
charged with criminal carelessness, the
others with manslaughter.

CONGRATULATIONS

FROM INDIANA.

We congratulate the Democrats of
Kentucky on the nomination of A. O.
Stanley for governor. He is a man
of large abilities and already has at-
tained a national reputation.

He will make a governor of whom
the state will be proud. He will shed
luster on Kentucky throughout the
nation.

Indiana clasps hands with Kentucky
across the Ohio and tenders her sister
state the warmest of felicitations—

NO MORE CHANCE THAN

A SNOWBALL IN HADES.

Latt F. McLaughlin, defeated for the
Republican nomination for Governor,
has written a note to E. P. Morrow, the
successful candidate of the party. He
calls his note a "letter of condolence"
and an "expression of his heart-felt sym-
pathy for the Republican nominee for
Governor." He tells Mr. Morrow he
will have to "spend some of his time
and means in a doomed campaign, as he
has no more chance to win than a snow-
ball has to live in Hades." "You com-
mitted suicide at Lexington," he says.
"and victory for our party was there
assassinated. The trap closed on us
August 7, and the dead-fall will get us
on November 2 unless your soul awak-
ens from selfishness and you have the
magnanimity to withdraw before the
certificate of nomination is issued to
you."

CONFEDERATE REUNION

AT HARRODSBURG.

The reunion of the famous Orphan
Brigade of Confederate veterans will
be held at Harrodsburg this year on
Wednesday 8th. Gen. Wm. B. Halder-
man has been elected President of the
Brigade and is already making arrange-
ments for the annual outing.

The coming reunion will mark the
fifty-fourth year and the thirty-second
reunion of the Orphan Brigade, which
now has but few survivors, but whose
gallantry and efficiency in behalf of
the Confederacy is betokened by many
a grave upon the battlefields of Ala-
bama, Arkansas, Florida, Georgia,
Kentucky, Louisiana, Mississippi, North
Carolina, South Carolina, Tennessee
and Virginia. Every State of the Con-
federacy has the honor to hold in her
bosom the dust of one or more of these
noble soldiers.
